The agency shall issue its own PGQ (Quick Price Agreement) or SC (Service Contract) order on an as needed basis made out to Goodyear Tire & Rubber Company in care of the local dealer.

If your agency encounters any problems regarding quality of product/service or delivery time, send your complaint, in writing, to the Division of Purchasing and Materials Management.

All state agencies and members of the cooperative procurement program shall make all purchases under this state contract for public use only. Purchases through this contract for personal use or consumption by any individual, public employee or official are prohibited.
